

# 20<sup>th</sup> ANNIVERSARY ANNUAL DINNER

**AFHK**  
ADOPTIVE FAMILIES  
OF HONG KONG

## 7 November 2013

### HONORING THE ROOTS THAT MAKE US WHO WE ARE

*"There are two lasting bequests we can give our children: one is roots, the other is wings."*

- William Hodding Carter (American civil-rights era journalist)

Healthy roots nourish trees and keep them anchored. Likewise, people have roots which help us understand where we come from and shape our identity. Roots are not always without their entanglements and difficulties; information about our roots may be far more mysterious, confusing, or painful than we wish. Yet roots are the beginnings of where we come from.

This year's Annual Dinner will feature a remarkable panel of adoptive parents and adoptees as the guest speakers, who will share with us their journeys. We will be celebrating the roots of our organization and some of the early pioneers who laid the groundwork to make AFHK the thriving community that it is 20 years later! Friends, family and 16 year olds and above all welcome.

---
